

4th of July

Intro

Verse 1

Every time I feel this pain inside my heart
I ask myself why start

PreChorus 1

But if I don't tell the story I'll be sorry
Life goes by so fast and the good days just don't last
And I can't live in my mind

Chorus 1

But I'll be there for you
Even when you've forgotten me
I'll be there for you
You're my red white and blue

On the 4th of July
I'll always be ready for you

Verse 2

All this doubt I feel inside
Hide shakin hands as I cry

PreChorus 2

But if I don't tell my story I'll be sorry
My life went by so fast and the good days just didn't last
And I can't live outside my mind

Chorus 2

But I'll be there for you

Even when you've forgotten me
I'll be there for you
You're my red white and blue

Bridge

You let me down
Down
Down

Chorus 3

Oh I'll be here for you
Even when you've let me down
Yes I'll be here for you
You're my red white and blue
