

# Let's SuMMer

## Intro Chorus

### Verse 1

At 16 I tried to be normal  
But I was too difficult to ignore  
Everybody's got dirty hands we're mortal  
Learned there's only one season to live for

Now it's June I'm no longer a work in progress  
Like a thief in the night who hasn't stolen enough  
Work in the day so at night I can rock this  
Work part time they say life's rough

### PreChorus 1

The perfect lips  
Wait for me  
Somewhere  
Out there  
But til I find them

### Chorus 1

My body is your body  
And nobody  
Can touch my body  
Like you

(Ooo-Ooo-Ooo-Ooo)

Your body is my body  
And nobody  
Can touch your body  
Like me

So Let's Summer the night away (Ooo-Ooo-Ooo-Ooo)

Let's Summer

## **Verse 2**

I used to be like you shy n' borin  
But I don't dance that way anymore  
Above 90 degrees love exploring  
Summer love waits behind every door

Life's meant for fun so let's get this on  
Got a tasty treat for you  
There'll be a few scars so let's sweat til dawn  
A little pain tonight but tomorrow it'll be gone

## **Pre-Chorus 2**

The perfect lips  
Wait for me  
Somewhere  
Out there  
But til I find them

## **Chorus 2**

My body is your body  
And nobody  
Can touch my body  
Like you

(Ooo-Ooo-Ooo-Ooo)  
(You got my body)

Your body is my body  
And nobody  
Can touch your body  
Like me

(I got your body)

So Let's Summer the night away (Ooo-Ooo-Ooo-Ooo)

Let's Summer

### **Breakdown**

The water's getting warm so you might as well swim  
I promise it'll be a beautiful feelin

(What a beautiful feeling)

### **Chorus 3**

The way my body  
Fits on  
Your body  
And nobody  
Can touch my body  
Like you

(Ooo-Ooo-Ooo-Ooo)

(1 plus 1 makes 2 and 2 makes me n' you)

Oh your body  
It needs my body  
And nobody  
Can touch your body  
Like me

### **Chorus 4**

(Let's Summer)  
So Let's Summer the night away  
Yeah, Let's Summer
